v.

Case No. C 06-7522 MJJ

**STIPULATION AND ~~PROPOSED~~  
ORDER STAYING MATTERS UNTIL  
STATUS CONFERENCE**

Date: January 22, 2008  
Time: 2:00 p.m.  
Courtroom: 11

Hon. Martin J. Jenkins

IT IS HEREBY STIPULATED, by and between and the parties to this action, through their respective counsel and subject to Court approval, to the following:

1. The Court directed the parties to confer on issues arising from the Court's Disqualification Order of December 6 and scheduling in this action. The Court set a Status Conference for January 22, 2008, at which time the parties and the Court anticipate that a scheduling order will be issued pertaining to such matters. Among those matters, Defendant is considering a motion to disqualify Bailey Pinney in this action and a motion to enjoin Bailey Pinney from representing putative class members in parallel state and federal court actions; Bailey Pinney is contemplating whether voluntary withdrawal is appropriate in other cases pending in California.
2. Based on the Court's directions and in the interest of avoiding multiplication of these proceedings, the parties agree that no additional motions will be filed in this action and no discovery will occur until after the status conference on January 22, 2008.

3. As a condition of this stay, Plaintiff's attorneys agree that no documents or data produced by AutoZone in this action have been shared with other law firms and that no such exchange of documents or data will occur before the status conference on January 22, 2008.
